Instructions on Accessing The New York Times

1. Go to the Harcum Library Home Page: https://harcum.libguides.com/troutlibrary
2. Go to Databases
3. Scroll down to The New York Times
4. Click on The New York Times
5. Type in Harcum College in the field under the header, Activate Your Complimentary Access to NYTimes.com, Provided by your School, College or University / Find School...
6. Using your mouse, click on Harcum College
7. On this page, create your account.
   a. To create your account, click on the blue icon labeled Create Account (see 1st screen capture below). The website will then prompt you to create your username (your Harcum email) and your unique password.
   i. After you create your account, you would thereafter click on Log in here >> enter your login credentials and select Faculty/Staff/Administrator under the question, What type of user are you? and uncheck Remember Me (2nd screen capture below).

10. When finished using the NYT, please remember to log out.
